REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Bow:

There has been one change in the list of teachers this year. Miss Dorothy Egan of Manchester, a Normal School graduate, is teaching at South Bow. Only three children are from the town, but there have been three tuition pupils from Dunbarton this year.

There is about the usual number enrolled in High Schools. In Concord there have been 34 different pupils. In Manchester there has been one. The tuition charge in each of these schools is \$100 per pupil for the year. A few pupils have dropped out.

The school enrollment of 147, has changed but little from the preceding year. Last year the per cent of attendance for Bow Mills Grammar was 95.5% — for the White school was 95.4% — for South Bow 95%. These are excellent records. One or two schools fell considerably below the state average of 95.4%. It sometimes happens, however, that many absences are caused by one or two careless families — so a low per cent of attendance does not reflect the attitude of the school as a whole; but of a few indifferent people. That has been true here.

This year a beginning has been made with instruction in music. Miss Elaine Ellis of Henniker, who is music supervisor in the schools of a number of nearby towns, was engaged to give two days a month, directing and planning the work. The response on the part of the teachers and pupils has been splendid. Music when properly taught is a source of much pleasure and profit and gives values which carries beyond school days.

Below is the list of pupils graduated from grammar schools last year. Those starred entered high school in September.

Bow Mills Grammar :
 Thomas Fitzgerald
 Martin Quimby*
 Elwin Vangas*
 White School :
 Walter Ordway*
 Bog School :
 Frederick Baker
 Lola Hesseldon
 Walter Marshall*
 River Road :
 Donald Downs
 Carl Spear*
 Raleigh True*

All of the above whose names are starred except one who went to Manchester entered Rundlett Junior High at Concord.

It has been a source of keenest regret that I have been unable to actively "carry on" during the past weeks. The kindly expressions that came from the Members of the School Board, the teachers — and pupils, cards, flowers, and calls helped me to know that all others were at their

posts of duty" and were loyal there. I hope to be able to resume my duties in a few weeks.

With appreciation for the cooperation of the members of the School Board and teachers, this report is

Respectfully submitted,

J. BYRON TARNEY,
Superintendent of Schools.
